KINNEY OUT FOR JUSTICE OF PEACE

James H. Kinney will be a candidate for the office of justice of the peace of the east precinct of Phoenix subject to the republican primaries. Announcement of his candidacy was made by Mr. Kinney yesterday. He will go before the voters on his record as a straightforward business man, capable city official and good citizen.

He is a pioneer of the southwest, having come to Arizona more than a quarter of a century ago. Through the intervening period he has been closely associated with the interests of Phoenix as a public official and business man.

In his youthful days he worked in the lumber woods of Michigan and at farming and has never been afraid of

James H. Kinney

earnest toil. Soon after his arrival in Phoenix in 1889 he entered the employ of the firm of Fowler Brothers. He was afterwards employed by Frank Parker and others and also spent two years at mining. In 1891 he established a hack and transfer line and conducted the business for ten years. He was then elected city marshal and was re-elected twice, holding the office and serving with credit to himself for six years. On his retirement from office he turned his attention to real estate and insurance business in which business he has since continued. In 1910 he was elected city treasurer and held that office until the commission form of government was adopted and the duties of the office became such as to require the incumbent to devote his entire time.

Mr. Kinney is one of the most active members of Phoenix Lodge, No. 2, Knights of Pythias and of the Fraternal Brotherhood. In both lodges he has held high offices, having attained the Chancery Commandership of the Pythian Lodge and being the supreme lodge delegate two years ago. For more than fifteen years he has been an active member of the Phoenix Volunteer Fire Department.

His political allegiance has always been given to the republican party and he is unfaltering in support of its principles, yet never sacrifices the public good to partisanship. He has been a very active life and whatever success he has achieved is the result of his own efforts. He has worked diligently and persistently and has been faithful and trustworthy in public office and has gained for himself a creditable name and place in Phoenix.

FROM CASA GRANDE—Alberto Cubillas and his son Alberto Cubillas, Jr., from Casa Grande, well known cattlemen are stopping at the Jefferson hotel while in town on business.

CROWNE ON THE JOB—Policeman E. G. Crowne resumed his duties as patrolman yesterday after an enjoyable two weeks vacation spent in company with Mrs. Crowne in Yavapai county. During his vacation Mr. Crowne visited the properties of the United Arizona Mining Company in which he is an interested stockholder. He found development work progressing nicely and every prospect of a paying venture. A two compartment shaft is being sunk and it is believed that this will go to pay ore in from sixty to ninety days. The property is located in the Copper Creek district.

Dr. John A. Messenger is taking a 2 months' vacation and his office will be closed until Sept. 15th, 1916.

HAMP AND ALECK BURY TOMAHAWK
Fred Hamp and C. P. Alexander shook hands in Judge Parker's court yesterday, a ceremony that marked the burial of the hatchet.
Hamp was the complaining witness in a case of assault with a deadly weapon against Alexander. When the case came up for hearing it developed that Hamp had not only been the aggressor but had gotten the best of the fight. He sustained a few slight wounds while Alexander had a rib or two broken. When the court dismissed the case he showed that he bore Hamp no ill will by offering him his hand. They parted friends.
MERRILL DIVORCE
Freedom and Custody of Child Granted Wife Who Charges Desertion
Margaret Merrill was granted a divorce from Grant Merrill yesterday and the custody of their six year old child, Veilman Merrill.
Mrs. Merrill who belongs to a well known family in Lehi, charged desertion and failure to provide. Since her husband's desertion, Mrs. Merrill, who is a graduate of the Tempe Normal school has been teaching school in Lehi. She is the daughter of Mr. and Mrs. William Schwartz and it is understood a half sister of the wife of Joseph Smith, president of the Mormon church. Merrill is the son of W. P. Merrill, a member of the first state legislature from Coconino county. His exact whereabouts at present could not be learned but it is said he is "somewhere" in California.
The Merrills were married in Lehi in 1908.
